

Information for Student Journalists Contacting NPC

The National Panhellenic Conference (NPC) strives to respond to every news inquiry, including those from student journalists. Below are resources to assist you.

Media Kit

For the NPC media kit with links to statistical information, position statements and more, [click here](#).

Media Inquiries

To contact the NPC office for a story inquiry, please email npccentral@npcwomen.org or 317-872-3185 and provide the following information:

- Your full name.
- Name of media outlet, blog or organization.
- Your email.
- Phone number.
- Nature/angle of the story.
- Deadline. (Note: Please allow as much time as possible for a response.)

An NPC staff member will then relay the information to the NPC media relations team for follow-up.

Class Story Assignments

If your inquiry is for a class assignment, first please review the [NPC website](#) and the [NPC media kit](#) (available on the website) as those resources may assist you with your story/assignment. If you have reviewed the website and media kit but need further information, please contact the NPC office and provide the same information requested for media inquiries (see above).

Note: Due to the volume of inquiries, NPC typically will respond with written answers to your questions or a brief statement rather than providing a live interview.

Imagery/Photography Requests

For image/photography requests, please contact the NPC office at npccentral@npcwomen.org. Please include the nature/angle of the story, description of the images you'd like to receive, how the images will be used and your deadline.
