

2020-21 NPC Partner Program Directory

The National Panhellenic Conference (NPC) Partner Program helps us fulfill our mission as the premier advocacy and support organization for the advancement of the sorority experience. The program benefits our partners by connecting them with key individuals within our 26 inter/national member organizations, other interfraternal partners and external stakeholders. The program also provides benefits to our members who are seeking products and services to support their operations.

This directory highlights the 2020-21 NPC partners and provides an overview of their products and services as well as contact information.

MJ Insurance Sorority Division

The sorority system was born to fight an important battle for women’s right to education. Sororities have evolved and grown but remained a source of solidarity, support and philanthropy. Their mission is ours, and nobody insures more of them. As we’ve supported these millions of sisters, our connection—and knowledge—has only grown.
