

2022 College Panhellenic Academy Frequently Asked Questions (FAQ)

Q. In the past, we have registered a certain number of unnamed officers and provided their names to NPC at a later date. Can we do that again?

A. This year we ask that you register your attendees in FS Central once you know their names.

Q. Is there a late registration fee?

A. The cost to attend 2022 College Panhellenic Academy is US\$75/person.

Q. How can we access the virtual event?

A. Each attendee will be emailed specific instructions to access the event through our event app. Please make sure to check your email frequently. A mobile device or computer with an accessible camera will be necessary to participate in the virtual event.

Q. I want to attend but cannot attend the entire event. Is my attendance required at every session?

A. While we hope you can join us for each of the sessions, we understand if you can't! You are welcome to join the sessions that best fit your schedule but encourage participation in all education offered.

Q. What is the attire for the virtual event?

A. While there's no official dress code for College Panhellenic Academy, please be aware we will ask attendees to turn on their cameras for the duration of the event. You should plan to dress for an online learning environment where you will interact with NPC leadership and volunteers as well as your peers.

Q. I was hoping to meet with vendors at the event. Will attendees be given instructions for how to contact NPC partners?

A. Yes! Through our event app you will have an opportunity to "e-meet" the various NPC partners, learn more about them and ask any questions that you may have.

Have additional questions? Please feel free to contact [Gretchen Foran](#), director of panhellenic support and education.
